Peter Keller, International Attest Partner at Baker Tilly Virchow Krause, LLP, has extensive experience in both public and private accounting. Prior to joining Baker Tilly in November 2005, Peter was the partner-in-charge of another accounting firm's audit practice. Previous experience includes over five years at a national accounting firm, most recently as a senior manager working in the consumer, industrial products, and high tech practices. Prior to that, Peter worked at a major manufacturer in their internal audit department focusing on internal controls, acquisitions, and divestitures.
