Brenen Sieber, Managing Director with Baker Tilly Capital, LLC, has been with the firm since 2006. Brenen focuses exclusively on serving clients in the Mergers & Acquisitions Group through sell-side and buy-side advisory services. Prior to rejoining Baker Tilly in 2006, Brenen helped lead the mergers and acquisitions department of a \$5+ billion international manufacturer. He has extensive experience in cross border M&A, including transaction projects in Asia, Europe, the Middle East, North America, and South America.

Specific experience

- > Domestic and international M&A projects in a variety of industries, with total closed transaction volume approaching \$1 billion.
- > Extensive experience leading multiple sell-side and buy-side acquisition projects in North America, Europe, and Asia ranging from \$10 million to \$500+ million.
- > Broad range of corporate development advisory services including: full service competitive auction advisory, pre-sale strategic planning and positioning, financial modeling, cost of capital analysis, market attractiveness evaluation, acquisition screening, due diligence, contract negotiation, and integration support.
- > Performed as the finance lead for the integration process involving a \$500 million international manufacturer, headquartered in Europe with additional operations in Asia, the Middle East, and North and South America.
- > Developed a fully integrated proprietary discounted cash flow model used to value business enterprises and also compare values against a variety of M&A transaction benchmarks.
