Frank Walker, Partner in our Consulting Services Group, has been with Baker Tilly Virchow Krause, LLP since 2005. Frank is a practice leader of the Financial Advisory Services practice based in our East Region where he leads professionals skilled in providing transaction advisory services, business valuations, litigation support and CFO advisory services. He has over 15 years of public accounting and private industry experience in a variety of industries including government contracting, business services and outsourcing, technology, software, health care, real estate and private equity.

## Specific experience

- > Frank started his career at an international accounting firm working in the audit and tax practices and also served as Chief Financial Officer for two high-growth businesses that he led through turnaround, growth, financing, acquisitions and eventual successful exits for shareholders.
- > Extensive experience providing financial and tax due diligence, forensic accounting, financial modeling, structuring and negotiation in connection with mergers and acquisitions, significant financing events and special situations.
- > Business valuation services for tax planning, financial reporting, strategic business planning, and litigation.
- > Litigation support services serving as consulting and testifying expert for corporate disputes, M&A transaction disputes, contract disputes, and economic damages claims.
- > CFO advisory, enterprise finance and accounting, and performance improvement services.

## Industry involvement

- > American Institute of Certified Public Accountants
- > National Association of Certified Valuation Analysts
- > Board Member, Audit and Finance Committee, Tech Council of Maryland
- > Frank is a frequent speaker on the topic of corporate growth, financing, acquisitions and accounting topics at venues such as the Robert H. Smith School of Business at the University of Maryland, the Association for Corporate Growth and the Greater Washington Society of Certified Public Accountants.

## Resume, continued
